Hello from the Chronicler!

Welcome to the January Issue! Indoor fighter practice (with A and S classes) continues for the winter, and people are starting to look ahead to spring and summer events!

Please send me any information you have about other happenings, and the contact information, even if it's an event that doesn't have a regular time, or happens only seasonally. I'd like to have an A and S focus for the March issue, so if you've got an article you'd like to submit, I'd appreciate it!

Announcements and Notices:

Greetings to the people of the Barony of Sentinels' Keep!

Indoor fighter practice continues in Butte, read on for details. The Barony is still looking for a Rapier Marshall as well, please send a letter of intent to Baron Antoine (details below) if this is something you would like to do!

Letter of Intent Request- Baronial Rapier Marshal:

After several years in the post, the time has come for me to step down as Rapier Marshal. If anyone is interested in this position, please send a letter of intent to me (rapierfighter@hotmail.com) with copies to the Kingdom Rapier Marshal, Baronial Knight Marshal, Seneschal, and Their Excellencies by January 31, 2016.

Please keep in mind that you either need to be local to Missoula to cover practices in this area or arrange for a Deputy to cover those practices. Additionally, you need to be (or be able to get) your Rapier Marshal Authorization by Spring Feast and must be a current member.

Thank you for your time!

In service,

Baron Antoine de Bueil

Event Advertising / Notification

In an effort to prevent future confusion and ensure that the correct information is distributed efficiently, we are changing how events are to be published and who will make those changes. Effective Jan 1, 2015 all event notifications must be sent to our Webminister and Chronicler in addition to the standard contacts. The Chronicler will ensure it gets into future editions of our newsletter. The Webminister is responsible for updating the Website, Yahoo group Notification, and the Facebook page. The Webminister will also create the Facebook Event. This is to ensure that it is done correctly per SCA law (which requires Kingdom publication to occur first) and that certain terminology is put on every notification. All notices, including Facebook, the Kingdom Event Page, Yahoo groups, BNB, etc. shall ALL point at our website (sentinelskeep.org) for the official notification and applicable updates. They shall also note that contact with the event staff should occur through their contact info as posted on the website. Updates may be posted to other social media locations but should always refer to the website for updated information. In the event the Webminister is unavailable to post updates in a timely manner, there will be at least 2 additional members trained in how to apply updates and the event staff will have their contact info. If anyone has questions on this policy, please feel free to contact me or our Seneschal - all constructive inquiries are welcome. Thank you for your time and support.

We still need some contact information for Baronial Officers.
